INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of
Great Swamp Watershed Association

Report on the Financial Statements

We have audited the accompanying financial statements of Great Swamp Watershed Association (a not-for-profit organization), which comprise the statements of financial position as of June 30, 2016, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of

accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Great Swamp Watershed Association as of June 30, 2016, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited the Great Swamp Watershed Association's June 30, 2015 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated October 15, 2015. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2016, is consistent, in all material respects, with the audited financial statements from which it has been derived.

GREAT SWAMP WATERSHED ASSOCIATION
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2016

NOTE 1- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Great Swamp Watershed Association's (the "Organization") significant accounting policies are an integral part of the financial statements and are consistently applied in the preparation of the accompanying financial statements. The significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader.

Nature of Activities -

The Great Swamp Watershed Association was founded in 1981 by citizens dedicated to protecting and improving the water resources of the Passaic River region, from the Great Swamp headwaters to Newark Bay, for present and future generations. Through education, advocacy, science, land preservation and stewardship, in collaboration with partners, the organization works to instill our communities with an awareness of water's effect on health and the beauty of the environment, from source to sea.

Basis of Accounting -

The financial statements of Great Swamp Watershed Association have been prepared on the accrual basis whereby income is recognized as earned and expenses are recognized as obligations are incurred. The financial statements and notes are representations of the Organization's management, which is responsible for their integrity and objectivity. These accounting policies conform to generally accepted accounting principles of the United States of America and have been consistently applied in the preparation of the financial statements.

Financial Statement Presentation -

The Organization has adopted Statement of Financial Accounting Standards (SFAS) No. 117, "Financial Statements of Not-for-Profit Organizations." Under SFAS No. 117, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. In addition, the Organization is required to present a statements of cash flows. As permitted by the statement, the Organization has discontinued its use of fund accounting.

Use of Estimates -

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash and Cash Equivalents -

For the purposes of the statements of cash flows, the Organization considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

GREAT SWAMP WATERSHED ASSOCIATION
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2016

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Investments -

The Organization has adopted SFAS No. 124, "Accounting for Certain Investments Held by Not-for-Profit Organizations." Under SFAS No. 124, investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets if the restrictions are met (either by passage of time or by use) in the reporting period in which the income and gains are recognized.

Property and Equipment -

Property and equipment are stated at cost less accumulated depreciation. When an asset is retired or otherwise disposed of, the cost and related accumulated depreciation are removed from the accounts and any resulting gain or loss is reflected in operations. Costs of repairs and maintenance that neither materially add to the value of the asset; nor appreciably prolong its life are charged to expense as incurred. Costs of improvements that appreciably improve the efficiency or productive capacity of existing equipment or extend their lives are capitalized. Depreciation is determined by the double declining method, for a period of three to five years depending on the type of asset depreciated.

Income Taxes -

The Organization is a not-for-profit organization that is exempt from income taxes under Section 501(c) (3) of the Internal Revenue Code and similar provision for New Jersey. Therefore, no provision for income taxes has been made.

Contributions -

The Organization has also adopted SFAS No. 116, "Accounting for Contributions Received and Contributions Made." Contributions received are recorded as unrestricted, temporarily restricted or permanently restricted support depending on the existence or nature of any donor restrictions.

Support and Revenue -

The Organization reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statements of Activities as net assets released from restrictions. Permanently restricted net assets cannot be spent due to donor-imposed permanent restrictions on the use of funds. The Organization reports gifts of land, buildings and equipment as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long those long-lived assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

NOTE 4-INSURANCE COVERAGE

The Organization maintains a commercial general liability insurance coverage of \$2,000,000; a commercial property insurance coverage of \$2,000,000; a personal and advertising injury insurance coverage limit of \$1,000,000; damage to rented premises insurance coverage of \$100,000; and medical expense insurance coverage of \$5,000 on any one person. The insurance is provided by Great American Insurance Company of New York rated A+ by A.M. Best and Standard & Poors, and the policy expires on January 6 of each year.

The Organization maintains a comprehensive commercial umbrella insurance coverage of \$4,000,000. The insurance is provided by Great American Alliance Insurance Company, and the policy expires on January 6 of each year.

The Organization maintains workers' compensation and employer's liability insurance coverage of \$500,000. The insurance is provided by Rochdale Insurance Company, and the policy expires on January 9 of each year.

The Organization maintains a directors and officers liability policy with coverage of \$2,000,000. The insurance is provided by the Chubb Group of Insurance Companies, and the policy expires on September 20 of each year.

There was no lapse in coverage for the year ending June 30, 2016.

NOTE 5 - CONCENTRATION OF RISK

The Organization maintains its cash and cash equivalents in financial institutions; all accounts are fully insured by the Federal Deposit Insurance Corporation (FDIC). Cash balances throughout the year did not exceed the insured limit of \$250,000 protected by the FDIC. The Organization has not experienced any losses in such accounts and is not exposed to any significant credit risk on cash and cash equivalents.

NOTE 6 - CURRENT VULNERABILITY DUE TO CERTAIN CONCENTRATIONS

Amounts received from government and state agencies relating to grants and awards are subject to audit and adjustment by the government and state agencies. The amount of expenditures, which may be potentially disallowed, cannot be determined at this time. The revenue and activities of the Organization are subject to the administrative directives, rules and regulations of state and local regulatory agencies. Such administrative directives, rules and regulations are subject to change by an act of Congress or an administrative change mandated by state agencies or the Department of Environmental Protection. Such changes may occur with little notice or inadequate funding to pay for the related cost, including the additional administrative burden, to comply with a change.

NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2016

NOTE 7 – REPORTING INSTANCES OR INDICATIONS OF ILLEGAL ACTS

There were no instances of illegal acts that could result in criminal prosecution to report to the respective agency and the Office of Inspector General.

NOTE 8 – UNCORRECTED SIGNIFICANT OR MATERIAL FINDINGS

There were no known uncorrected significant or material findings and recommendations from prior audits that affected the current audit objectives.

NOTE 9—RETIREMENT ACCOUNT

The Organization maintained an IRC 403(b) retirement plan for its employees. The plan allows for employees to contribute a portion of their income to the retirement plan before federal income taxes. The Organization does not currently provide matching retirement contributions on behalf of its employees.

NOTE 10—SUBSEQUENT EVENTS

In accordance with FASB ASC 855, *Subsequent Events*, the Organization has evaluated subsequent events through October 15, 2016, the date the financial statements are available to be issued. No significant events have occurred between the financial statements ending date and the date the financial statements were available to be issued, that would alter the intended parties' conclusion of the financial statements, require recognition or additional disclosure in these financial statements.

We have audited the financial statements of Great Swamp Watershed Association as of and for the year ended June 30, 2016 and have issued our report thereon dated October 15, 2016, which contained an unmodified opinion on the financial statements. Our audit was performed for the purpose of forming an opinion on the financial statements as a whole. The schedule of functional expenses and the analysis of endowment account on the following pages are presented for the purposes of additional analysis and are not a required part of the basic financial statements. The additional information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the additional information is fairly stated in all material respects in relation to the basic financial statements taken as a whole.
