Dear Ms. Rubin,

EPA-R2-2020-003575 has been approved for a fourth interim release.

This is in connection to your Freedom of Information Act (FOIA) request submitted to the United States Environmental Protection Agency (EPA) on 03/10/2020. Your FOIA request sought certain records in connection with the Rolling Knolls Landfill Superfund located in Chatham, NJ.

We continue to search EPA Region 2 files for potentially responsive records. In the meantime, attached you will find those records that were located to date. This is not the Agency's final determination therefore, not appealable. We will inform you when we have concluded the processing of your FOIA request.

Please feel free to contact Wanda Calderon of my staff at 212-637-3668 for any updates. If you need any further assistance or would like to discuss any aspect of your request, you may seek assistance from EPA's FOIA Public Liaison at hq.foia@epa.gov or call (202) 566-1667. You may also seek assistance from the Office of Government Information Services (OGIS). You may contact OGIS in any of the following ways: by mail, Office of Government Information Services, National Archives and Records Administration, 8601 Adelphi Road, College Park, MD 20740-6001; email: ogis@nara.gov; telephone: (202) 741-5770 or (877) 684-6448; or fax: (202) 741-5769.

Thank you for your patience and for contacting EPA.

Sincerely,

/s/
